Subject: Response to Operator's Reply to Division Directive, Lakeview Rock Products, Lakeview Quarry, M/035/020, Salt Lake County, Utah

Dear Mr. Larsen:

Thank you for your October 16, 2003, response to the October 8, 2003 Division Directive. We are encouraged by your recent actions in preparing a timely response to our Directive. You have outlined your plans to address the Directive but you expressed concern with some timeframes.

We can alter some deadlines upon a mid-way reassessment. As requested, we have enclosed a copy of the transitional bonding forms. We ask that you send draft copies of these forms to us so we may review them. Please contact Wayne Hedberg or Joelle Burns of my staff if you have any questions regarding these forms.

We will do our best to assist you in moving the permitting process to a successful conclusion. We look forward to meeting with you and Mr. Pace onsite, at a time to be determined, and anticipate receipt of the remaining items within the timeframes outlined in the October 8th Division Directive.

Sincerely,

Mary Ann Wright
Associate Director, Mining
